Dear

On behalf of each of the children who will experience the power of a wish[®], thank you for making wishes come true. Your gift helped make it possible for the Make-A-Wish Foundation[®] of Illinois to grant wishes like that of 15-year-old Kristy.

Kristy is a vivacious, charismatic 15-year-old girl from Carpentersville who loves to shop! Kristy has an eye for fashion and loves to mix and match her clothes to make the latest trends.

At 14 years old, Kristy was diagnosed with class IV lupus nephritis, a life-threatening, autoimmune disease of the kidney that causes inflammation and poor kidney function.

Kristy wished to shop the Magnificent Mile in downtown Chicago! Kristy started her wish day at Macy's where she got a makeover at the Clinique makeup counter. Next, Kristy sipped on sparkling apple cider, served in champagne glasses, as she got a private tour of the Louis Vuitton store. The sales team there surprised Kristy with special "Speedy 25" bag engraved with her initials. Kristy was speechless! The day ended at Nordstrom, where Kristy had a personal fashion advisor help her shop 'til she dropped. The whole day was dream come true!

The ability to make these special wishes come true is possible because of your generous support. We thank you for helping us to grant the heartfelt wishes of children like Kristy and the 800 courageous kids just like her who will receive a wish this year. We remain committed to our goal to reach every eligible child in Illinois with a joyous wish experience. Your gift lives on in the smile and memory of each wish child and his/her family, today and for a lifetime.

Very truly yours,

Stephanie Springs
Chief Executive Officer
